

# Falls UP Tour

## July 18, 19, 20, 21

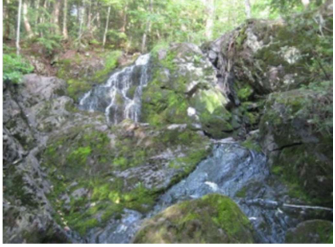

### Coddiwomple to and through the Upr Upr of Michigan to watch/hear water fall

So many waterfalls so little time. A pretty hefty loop with so many waterfalls you **can't** see them all. Most have been chosen for high walkability (easy to get to). Others- not so much  
 Contact [tnfrog@juno.com](mailto:tnfrog@juno.com) for complete trip package (with GPS coordinates)
