

2021 STREETERVILLE SCRAMBLERS

Adirondacks to Coastal Maine

Friday Sept 10th to Saturday the 18th

This ride will "home base" at Galway Lake in Galway NY, arrive on Friday in time for a Sunset cruise and dinner at Cock & Bull Restaurant nearby. We will do an out and back ride on Saturday just to allow for late arrivals and enjoy another day at the lake, planning on another sunset and perhaps a barbecue by the firepit. Then we will set out eastward, Mount Washington in NH, the highest point East of the Rockies and then to the Maine Coast for a couple evenings of Seafood. Then we will meander through the Northwoods, skirting Canada on the way back and staying in Rangely ME and Westport NY on Lake Champlain before heading back to Galway on Friday. Hotels for Sunday through Thursday Nights will average around \$200/room per night. I'll send reservation information to those who sign up at <https://1drv.ms/x/s!AnZDJYZ24FdHk5pfUBCxS9gJpuJzAA?e=fEgZxC>

Home Base – “The Lodge”

9422 Harts Rd B, Broadalbin NY, 12025

This is Galway Lake. My family's vacation place and home since the early 1900s. We have two properties, we'll be staying in the new one, behind our lake front "camp". But we have the lake front, the firepit, the cocktail boat, kayaks and a firepit.

4 rooms with King beds and their own bathrooms, a 5th room with 4 bunks and a twin and another

bathroom, and an unfinished basement with gobs of space and another bathroom. There is also plenty of space to park a vehicle and trailer but I do need to know how many we will have. Room for about 3 rigs max.

<The Rangely Inn, ME!

The Inn Westport, NY on Lake Champlain
