## What permits are needed for riding the single-track motorcycle trails at Crawford Hills County Park?

If you are riding an off-highway motorcycle, you will need both a Wisconsin DNR Off-Highway Motorcycle sticker **and** a Jackson County motorcycle sticker. The 2022 Jackson County motorcycle stickers (which are orange this year) are \$20 and can be ordered online. The state OHM sticker is \$30 for a first-time registration and \$30 for a two-year renewal. For those with state OHM registrations that expire March 31, 2022. Non-residents wanting to ride in the Badger State can also purchase OHM stickers through the Go Wild web site. A non-resident trail pass to operate on OHM trails is \$35 per year. A five-day pass is also available for \$20. Prior to April 2021, non-residents needed to register their off-highway motorcycle in Wisconsin to operate on OHM trails or other publicly established corridors. For more on non-resident OHM passes, see the press release at <http://dnr.wisconsin.gov/newsroom/release/43526>. Jackson County is allowed to have its own motorcycle sticker program as it does not accept funds from the state OHM

program for trail maintenance. The county program predates the state OHM program. While the Jackson County Trail Riders do not receive direct funding from the county's motorcycle sticker sales, the county Forestry & Parks Department does supply the club with gravel and other materials. The club is solely responsible for the labor involved in maintaining the trails.
