

GREECE TOUR, June 2023, Scramblers

<https://www.adriaticmototours.com/tour/greece-tour>

To experience the beauty and antiquities of Greece from the seat of a motorcycle is to experience one of the world's classic tourist destinations to the fullest.

We start in Athens with its world-famous history, museums and ancient ruins. From there, we ride twisty roads up to mountainous Monodendri. Along the way we visit several of the world's greatest archaeological sites - Delphi, Meteora, Olympia, Monemvasia and Epidaurus - and relax on the beaches of Lefkada Island. We experience some superb coastal riding - through the fishing villages and olive groves of the Peloponnesus, to the quaint town of Nafplio - before we end our Greek journey.
